After two unsuccessful attempts at Vergennes to secure pure water for domestic purposes by the Artesian Wells system, Superintendent White of the Artesian Well Supply company of Providence, R. I., has shipped his machinery back to Providence. The first well was sunk on the east side of the river to the depth of 140 feet to the rock without finding water and was abandoned. The second attempt was made on the other side of the river and the well sunk 115 feet. Rock was again struck and without it is reported, satisfactory results.

Frightened by a freight engine, a team of horses owned by C. E. Jones, and left

standing in front of the railway station at Pittsford Tuesday morning, dashed around that building and down the track toward Proctor, clearing a 20-foot culvert. The animals soon became tired and slowed down enough to allow Guy Jones, the mail carrier, who had been driving, to catch them. With difficulty Mr. Jones turned the team around and started to drive back to the station, but in trying to cross the culvert one of the animals fell and lay with his legs between the ties. The horse was soon able to rise, but in getting up its feet struck Mr. Jones, who fell about 15 feet, landing in several feet of water and mud, which broke his fall and prevented serious injury.

## ABOUT THE STATE.

### Items of Interest Gleaned From Our Exchanges.

David Wilkie, president of the Fat Men's club, has been very ill at Hale's Tavern, Wells River, the past week.

Mrs. Stephen Wheeler, aged 91 years, formerly of Guilford Center, died in Northampton, Mass., September 29, at the home of her daughter, Mrs. H. R. Chase, formerly of Brattleboro.

Louie, little son of Louis Lord, of West Berlin, was badly burned by boiling water recently. It is feared he will lose the sight of one eye, beside having a badly scarred face.

The annual meeting of the sixth district, Order of the Eastern Star, will be held with Sickle Chapter, No. 30, in Stowe, Wednesday, October 18, beginning at 11 o'clock in the morning.

A muskellunge which is believed to be the first fish of that kind ever caught at Lake Bomoseen was taken from the waters of that lake recently by a Rutland fisherman. It weighed six pounds and gave the fisherman considerable hard work before he landed it.

At the reading of the will of the late Harvey Judevine, it was learned that he had left his property so that his wife might have the use of it while she lives and at her death the village of Concord receives one-third of it, the high school one-third, and the nieces and nephew of Mrs. Judevine the remaining third.

At a recent meeting of the St. Johnsbury Free Baptist church it was unanimously voted to ask the Rev. R. L. Dunton to reconsider his resignation and continue his pastor until the first of January, the end of the church year, when more definite arrangements may be made. Mr. Dunton has the matter under serious consideration and will announce his decision soon. He has consented to supply the pulpit during the month of October.

Probably the largest tree in Vermont is not in New England, stands in the door yard of Jerry Richard in the north-east part of the town of Chester. The tree measures twenty-three and one-half feet in circumference two feet from the ground, and the branches spread from side to side about 130 feet. There are seven limbs, which measure two and one-half feet through and the tree is estimated by woodchoppers to contain from fifteen to twenty cords of wood.

The members of the Burlington police force were summoned before Mayor James E. Burke Thursday evening and given a talk as to their duties. The principal topic of his remarks had reference to the officers that character must be kept from the streets or that officers would be appointed who would do their duty. Mayor Burke also referred to the lack of respect on the part of some officers for their superiors. He said that the matter of saluting was required everywhere and that he should insist that the rule be observed in Burlington.

Mrs. Laurana Walker, aged 91 years, 3 months, died recently at the home of Mrs. L. A. Walker, of Wilmington, where she had lived about two years. She was ill only six days, her ailment being typhoid dysentery. Mrs. Walker was the widow of William Walker and lived in Wilmington some forty years ago on the farm now occupied by Henry Jacobs. She was a woman of strong intellectual faculties and retained her memory until the last. Her knowledge of general matters was remarkable for a person of her age. The burial was at East Dover by the side of her husband, who died about thirty years ago.

In the window of the Franklin County Savings Bank & Trust Co. in St. Albans is shown a complete framed collection of United States script which is probably the only complete set in this city. It belongs to Safford E. Thorpe, a clerk in the bank. The face value of the twenty pieces in the set is \$618, and

## THE REAL TEST

Of Herpicide is in Giving it a Thorough Trial.

There is only one test by which to judge of the efficiency of any article and that is by its ability to do that which it is intended to do. Many hair-vigors may look nice and smell nice but the point is—do they eradicate Dandruff and stop falling hair?

No, they do not, but Herpicide does, because it goes to the root of the evil and kills the germ that attacks the papilla from whence the hair gets its life.

Letters from prominent people everywhere are daily proving that Newbro's Herpicide stands the "test of use."

It is a delightful dressing, clear, pure and free from oil or grease.

Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

their present market value about \$15. There are eight of the denomination of 50 cents, five of 25 cents, one of 15 cents, six of 10 cents, three of 5 cents, and one of 2 cents. The entire collection is in excellent condition and several pieces look as if just issued. Mr. Thorpe has been about two years making the collection.

Sergeant Leroy Pettigrew, Troop E, at Fort Ethan Allen, who was recently tried by a general court martial on charges growing out of his furnishing an untruthful statement to a newspaper for publication and who pleaded guilty to the charge, has been given a sentence of three months in the guard house, to forfeit \$30 of his pay and to be reduced to the grade of a private soldier. Sergeant Pettigrew, who has been in arrest in quarters, has been placed in the post guard house.

### Full of Tragic Meaning

are these lines from J. H. Simmons of Casey, Ia. Think what might have resulted from his terrible cough if he had not taken the medicine about which he writes: "I had a fearful cough that disturbed my night's rest. I tried everything, but nothing would relieve it until I took Dr. King's New Discovery for Consumption, Coughs and Colds, which completely cured me." Instantly relieves and permanently cures all throat and lung diseases. Prevents grip and pneumonia. At the Red Cross Pharmacy and Parlor Drug Store. Guaranteed. Price 50c and \$1.00. Trial bottle free.

### Makes Young Chicks Strong.

No better commendation could be made for a Poultry Food than that it makes young chickens strong. Strong chicks make vigorous adults. Ruth E. Grendell, Mapleton, Me., writes as follows to this point: "We have used and sold three barrels of Page's Perfected Poultry Food in the past year and can say that it will do all that is claimed for it as an egg-producer. All that I have sold to brag about it and want more soon. I feed it to my young chicks and it makes them strong and healthy. One of my pullets commenced to lay the first day of October and laid 24 eggs during the month. The rest laid all winter."
